

Highland Mennonite Brethren Church Ministry Manual - OUTREACH Ministry Partner Guidelines

Highland MB Church (“HMBC”) has contact with many worthwhile ministries doing kingdom-work in Calgary, in Alberta, in Canada, and beyond. It is simply not possible to draw attention to all of these, and we choose to concentrate our efforts on partnerships with specific ministries. Some partnerships are the result of our Mennonite Brethren and inter-Mennonite affiliations. Some are due to our financial support of missionaries serving with specific organizations. Some are seasonal. The HMBC OUTREACH Coordinator, in conversation with the Leadership Team, decides with which ministries we will partner, taking into consideration our capacity for fostering a relationship with an organization. These approved organizations will be promoted by the HMBC office via e-mail, our website, printed materials, PowerPoint slides and occasional verbal announcements. It is understood and encouraged that HMBC congregants personally support many other valuable ministries; however, outside of postings on the Christian Community bulletin board they will not be promoted through HMBC.
